

TRAINING CERTIFICATE

Naturland Association for Organic Agriculture
herewith confirms that

Mr. Gökçer Kıraç

INSPECTION BODY: *Bio Inspecta*

has successfully completed the Naturland Online Training for
Inspectors in March 2019.

With this certificate he is qualified to carry out Naturland inspections
on the following standards:

Naturland Standards for Production

Naturland Standards for Processing

Naturland Standards for Aquaculture

Naturland ICS for Smallholder Grower Groups

Naturland Standards for Social Responsibility

This certificate is valid for 3 years after graduation or until further notice.

If any updates of the above mentioned Naturland standards come into effect, all inspectors
are obliged to review these standard updates on the Naturland Online Training Platform.

Gräfelfing, 20.03.2019

Julia Manlik, Ms
Coordinator Naturland Training for Inspectors
